## About This Content

*The Duke's hands were scurrying through the pages. Creepy flames sparkled in his eyes while they raced to find the desired verses. "Where was it? Ghaaar!" A few dead soldiers lay in front of him. Their shields crushed, their spears broken, their bodies dismembered and rotting, it was a macabre scene. "Finally! UMEN - NAGHIR - ITIR - SIMEN - SAKH!" - he threw the book away and repeated the incantation. Green clouds of mist covered the corpses. Sapless joints began to pop, bones started to crack. The awoken zombies grabbed their wretched weapons and looked dully at their sire. "Morning, boys! You slept well? Come on! Lord Nefaros is waiting..."*

## Content

One preconstructed deck - Duke's Zombies (1 hero + 60 cards)

# ENDERAL FORGOTTEN STORIES

The cover art depicts a dramatic sunset scene. In the foreground, three characters stand on a rocky ledge. On the right, a young man with light hair, wearing a blue tunic and a dark vest, looks back over his shoulder. In the center, a character in a blue tunic and dark pants stands with a sword on their back. On the left, a figure in a dark green hooded cloak holds a flaming torch. A small blue bird is perched on the rock to the left. In the background, a large, dark, imposing structure sits atop a cliff, with a city of buildings visible below. The sun is a large, bright orb in the sky, casting a warm glow over the scene.
